

The Night-Born and Also the Madness of John Harned, When the Worrrld Was Was Young, the Benefit of the Doubt, Winged Black-Mail, Bunches of Knuckles, W

This early work on The night born is a fascinating novel of the period and still an interesting read today. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
