

The Palace of Love (The Demon Princes Book 3)

Kirth Gersen sets his sights upon the mysterious Violen Falushe. After several false leads, Gersen backtracks the villain to his point of origin - Earth! Then the trail moves outward again, to the starworlds and a place back of beyond where there is actually a Palace of Love. The Palace of Love is part 3 of 5 of The Demon Princes Series. The Demon Princes is a five-book series of science fiction novels by Jack Vance, which cumulatively relate the story of one Kirth Gersen as he exacts his revenge on five notorious criminals, collectively known as the Demon Princes, who carried his village off into slavery during his childhood. Each novel deals with his pursuit of one of the five Princes. Cover art by David Russell
