

The Power and the Glory

In a poor Mexican state in the 1930s, the Red Shirts have viciously persecuted the clergy and murdered many priests. Yet one remains - the whisky priest who believes he's lost his soul. On the run and with the police closing in, his routes of escape are being shut off, his chances getting fewer. But compassion and humanity force him along the road to his destiny...Andrew Sachs reads Graham Greene's powerful novel about a worldly Roman Catholic priest and his quest for penitence and dignity.
