

## The King in Yellow

Have you seen *The Yellow Sign*? Recently referenced at length in the hit HBO series *True Detective*, this book has long been a cult favorite. The Carcosa Myth is an underground mythos which writers have been contributing to for more than 120 years: an interlocking set of stories, poems, and even a play about a fictional city called Carcosa, that can never quite be seen directly. Carcosa shows up first in a story by the American writer Ambrose Bierce, *An Inhabitant of Carcosa* and is the central theme of the ten tales in *The King in Yellow*. The first four stories, *The Repairer of Reputations*, *The Mask*, *In the Court of the Dragon* and *The Yellow Sign*, mention *The King in Yellow*, a forbidden play which induces despair or madness in those who read it. *The King in Yellow* has been described by critics such as E. F. Bleiler, S.T. Joshi, and T. E. D. Klein as a classic in the field of the supernatural.
