

The Secret Garden (Large Print)

The Secret Garden is one of Burnett's most popular novel, as it has warmed the heart of generations with the story of one little orphan. Losing her British parents to a cholera outbreak in India the selfish, spoilt and angry Mary Lennox is uprooted from her life and the servants that has raised her to be sent to live with her uncle in Yorkshire. Being her normal sour self she is unsure of the manor and the surrounding gardens. As time goes on she discovers a new outlook on the world thanks to her new home and the power of a healing garden.
