

## The Secrets of the Dolls House Makers

A celebration of the work of 30 of the finest contemporary dolls house and miniature makers. Each has been carefully interviewed and their particular passions, skills and trade secrets discovered, so that the book gives an insight into the diverse and surprising backgrounds of these craftsmen and women whose collective wisdom is being made available here. A wide range of periods and styles are covered from palace to house and cottage. Separate chapters cover detail such as furniture, silver, glass, porcelain and musical instruments.
