

The Shattered Door

3rd Edition After a tortured childhood and years of soul-searching, Brooke Morrison has finally settled into a comfortable life. While his sexuality prohibits him from practicing his degree in youth ministry in a church setting, he's found a fulfilling job as a youth counselor at a residential treatment facility in Colorado. He falls in love, marries the man of his dreams, and makes peace with God. He's happy. Then his buried past drags him back to the Ozarks. The life Brooke has worked so hard to build is crumbling in his hands in the face of painful memories and past abuse, and his confidence is withering. In El Dorado Springs, where his nightmares come to life, Brooke desperately seeks closure life doesn't offer. Brooke must find value in himself, in his marriage, and in the world around him and create the hope and perseverance to keep his past from swallowing him whole. First Edition published by Createspace, 2011. Second Edition published by Itineris Press, 2012.
