

The Signature of All Things

This is an audiobook adaptation of Elizabeth Gilbert's best-selling novel *The Signature of All Things*, read in Russian (unabridged) by Marina Lisovets. The novel follows the intriguing life of Alma Whittaker. Instilled with an unquenchable sense of wonder by her father, a botanical explorer and the richest man in the New World, Alma is raised in a house of luxury and curiosity. It is not long before she becomes a gifted botanist in her own right. But as she flourishes, and her research takes her deeper into the mysteries of evolution, the man she comes to love draws her in the opposite direction--into the realm of the spiritual, the divine and the magical.
