

The Summer Hideaway (The Lakeshore Chronicles, Book 7)

Retreat to a blissful haven with Susan Wiggs! Private nurse Claire Turner has always lived by the motto, Never get attached. Fleeing a treacherous past that could catch up with her any day, she finds solace in the anonymity of a big city. Going to a small resort in Avalon, so Claire's elderly patient can be reconciled with his family, is exactly the kind of thing Claire usually avoids. But meeting her boss's charming grandson, Ross Bellamy, makes Claire reconsider her life. Maybe here, in the enchantment of Willow Lake, she can find a love that will finally be worth not running away from. Perfect for fans of Cathy Kelly
