

Thieves Quarrel 2 (Battle Cards) (The Social Workshop)

Description Thieves Quarrel 2 The Social Workshop Battle Cards was created to turn an ordinary deck of playing cards into a brand new and exciting game that people of all ages can enjoy. Allow yourself to be drawn into the fantasy world we've created and battle against friend and foe alike. Playing the game is easy. All you need is one deck of playing cards and this instructional manual. Choose exciting pre-made characters, or use your imagination to create your own characters, each with their own bonuses and penalties, special attacks and devastating spells. Collect the spoils of war with each win and start that quest to become the paragon of a true warrior. Not everyone has what it takes to reach those lofty heights. Do you? There's no honor among thieves. Thieves Quarrel is about to prove that when a number of thieves and assassins descended upon the same location. They're not about to start working together, and the first man to reveal himself, will most likely be the first to fall. Will it be you to make the first move? Or will it be the person next to you, grinning wildly at you like they are privy to some secret information? This standalone expansion includes 4 new bonus characters and ups the play count to a minimum of 2 players and a maximum of 8 players. It is not required to purchase the original game as this updated manual contains the full version of the game. Number of Players: 2 - 8 Estimated Playing Time: 45 Minutes
