

Thirsty

Kaliyah is a drop dead gorgeous beauty who believes in using what she has to get what she wants. She doesn't give her goodies to just anyone though. She prefers wealthy Caucasian men. Brothers are not to her liking. She has a thirst for the good life that she feels they cannot fulfill. That is until she crosses paths with Thrill. Initially uninterested, Kaliyah has no words for Thrill but once she finds out about the paper that he is sitting on it changes the game. Will her thirst end up being her downfall?
