

This One Is Mine: A Novel

Violet Parry is living the quintessential life of luxury in the Hollywood Hills with David, her rock-and-roll manager husband, and her darling toddler, Dot. She has the perfect life--except that shes deeply unhappy. David expects the world of Violet but gives little of himself in return. When she meets Teddy, a roguish small-time bass player, Violet comes alive, and soon shes risking everything for the chance to find herself again. Also in the picture are Davids hilariously high-strung sister, Sally, on the prowl for a successful husband, and Jeremy, the ESPN sportscaster savant who falls into her trap. For all their recklessness, Violet and Sally will discover that David and Jeremy have a few surprises of their own. THIS ONE IS MINE is a compassionate and wickedly funny satire about our need for more--and the often disastrous choices we make in the name of happiness.
