

# The Queens Governess (Thorndike Core)

The national bestselling author of *Mistress Shakespeare* delivers the epic tale of Elizabeth I's most trusted companion—a commoner who lived among royals... Katherine Ashley, the clever, beguiling daughter of a poor country beekeeper, catches the attention of powerful, ambitious Thomas Cromwell—henchman for King Henry VIII. Cromwell secures for Kat a place in the royal court, but as a reluctant spy. Plunged into a treacherous game of shifting alliances, Kat is entrusted by Anne Boleyn to protect her daughter, Elizabeth. In the face of exile, assassination attempts, imprisonment, and a romantic flirtation that could cost the young princess dearly, Kat will risk everything—even her own secret love—for her bright, clever Elizabeth.
