

Tipp Talk 2011

Tipp Talk, a weekly newspaper column, explores life in small-town America. Covering the columns for the 2011 calendar year, this collection recounts the local and regional challenges, events and activities in and around the town of Tipp City, located just north of Dayton, Ohio. These recollections form a unique snapshot of life in a small Midwestern town struggling with job losses, mounting infrastructure costs and a weak economy. I write a column for the local Tippecanoe Gazette called Tipp Talk about events, activities and other hometown items going on in and around Tipp City. For more information about the Gazette, visit their website at www.tippgazette.com.
