

The Ortiz Borgata

A young man discovers his Father is the head of an Organized Crime Family. This is the story of how Beto Ortiz, a young teenage boy, deals with growing up in such a family as well as how he uses his Fathers power to help him get through school, relationships and life without getting involved in his Fathers work. Along the way Beto learns the hard way on who he can trust and not trust. Once Beto finishes high school he goes to college where he becomes close friends with the son of the head of the CIA.
