

## Tom Sawyer Detective (Annotated): Masterpiece Collection: Tom Sawyer Detective Unabridged, Mark Twain Famous Quotes, Book List, and Biography

Tom Sawyer Detective, by Mark Twain, Includes: Complete unabridged Tom Sawyer Detective, 100 famous quotes of Mark Twain, Complete bibliography of Mark Twain, Biography of Mark Twain, WELL, it was the next spring after me and Tom Sawyer set our old nigger Jim free, the time he was chained up for a runaway slave down there on Toms uncle Silass farm in Arkansas. The frost was working out of the ground, and out of the air, too, and it was getting closer and closer onto barefoot time every day; and next it would be marble time, and next mumbletypeg, and next tops and hoops, and next kites, and then right away it would be summer and going in a-swimming. It just makes a boy homesick to look ahead like that and see how far off summer is. Yes, and it sets him to sighing and saddening around, and theres something the matter with him, he dont know what. But anyway, he gets out by himself and mopes and thinks; and mostly he hunts for a lonesome place high up on the hill in the edge of the woods, and sets there and looks away off on the big Mississippi down there a-reaching miles and miles around the points where the timber looks smoky and dim its so far off and still, and everythings so solemn it seems like everybody youve loved is dead and gone, and you most wish you was dead and gone too, and done with it all.
