

Travels with a Donkey in the Cevennes

It will readily be conceived that I could not carry this huge package on my own, merely human, shoulders. It remained to choose a beast of burden. Now, a horse is a fine lady among animals, flighty, timid, delicate in eating, of tender health; he is too valuable and too restive to be left alone, so that you are chained to your brute as to a fellow galley-slave; a dangerous road puts him out of his wits; in short, hes an uncertain and exacting ally, and adds thirty-fold to the troubles of the voyager. What I required was something cheap and small and hardy, and of a stolid and peaceful temper; and all these requisites pointed to a donkey.
