

New York Echoes 1

Twenty-two short stories that will lift your spirits or break your heart, written to celebrate the authors return to New York City after 40 years in exile. Acclaimed author Warren Adler focuses his laser eye on New York City in these 22 deftly crafted and compelling short stories. New York, the frenetic, tough-minded, generous-hearted city, magnet for peoples hopes and aspirations, is as vividly and lovingly portrayed here as any of the characters. As in his celebrated novels, Adlers themes in *New York Echoes 1* deal primarily with intimate human relationships: the mysterious nature of love and attraction, the fragile bonds between husbands and wives, and parents and children; the divide between generations; the obsessive pursuit of the creative artist and the emotional toll it exacts. In these stories, past memories collide with present realities; with first love comes first betrayal; chance encounters have unexpected consequences; and the devastating impact of 9/11 refuses to fade, wreaking havoc years after the tragedy. All of the hallmarks of Warren Adlers fiction are everywhere in evidence in *New York Echoes*, in powerful stories that reflect a special understanding of the human condition as seen through the eyes of one of Americas most prolific authors. Above all, these radiant tales are a celebration of the short story and of an authors return to his much-loved, dearly missed native city. About the Author Acclaimed author, playwright, poet, and essayist Warren Adler is best known for *The War of the Roses*, his masterpiece fictionalization of a macabre divorce adapted into the BAFTA and Golden Globenominated hit film starring Danny DeVito, Michael Douglas, and Kathleen Turner. Adler has also optioned and sold film rights for a number of his works, including *Random Hearts* (starring Harrison Ford and Kristin Scott Thomas) and *The Sunset Gang*

(produced by Linda Lavin for PBS's American Playhouse series starring Jerry Stiller, Uta Hagen, Harold Gould, and Doris Roberts), which garnered Doris Roberts an Emmy nomination for Best Supporting Actress in a Miniseries. His recent stage/film/TV developments include the Broadway adaptation of *The War of the Roses*, to be produced by Jay and Cindy Gutterman, *The War of the Roses: The Children* (Grey Eagle Films and Permut Presentations), a feature film adaptation of the sequel to Adler's iconic divorce story, and *Capitol Crimes* (Grey Eagle Films and Sennet Entertainment), a television series based on his Fiona Fitzgerald mystery series. For an entire list of developments, news and updates visit www.Greyeaglefilms.com. Adler's works have been translated into more than 25 languages, including his staged version of *The War of the Roses*, which has opened to spectacular reviews worldwide. Adler has taught creative writing seminars at New York University, and has lectured on creative writing, film and television adaptation, and electronic publishing.
