

## When A Warrior Comes Home

When Sarah Braemans US Army sergeant husband returns from Iraq, she is thrust into the role of caregiver to a man she hardly recognizes. Tortured by wild mood swings, flashbacks, and anti-social behaviors, Mike becomes a danger to himself and others. A business opportunity seems to offer a way out from a military that now considers Mike weak and surplus to requirements. Sarah is a strong woman who loves her husband, but should she risk her family's future on a man who may be damaged beyond repair?
