

## Well Bred Connections (The Connection series Book 2)

When honeymooners Mike and his beautiful bride, Andy, learn of a rash of child abductions, they are swept into one of the deserts darkest secrets. As the couple tour in their new motor home, Andy discovers an old poster of a missing teen named Jessica. Mesmerized by the poster, Andy tucks it away for future reference. Soon thereafter, nightmares about the girl begin and intensify. Certain that Jessica is still alive, Andy finally convinces Mike to use his past Air Force covert-ops skills to do a little research. When they uncover a sudden increase in missing child cases at a chain of regional campgrounds, it becomes apparent that these are more than isolated incidents. A few months later, Jessica is found wandering the streets, dazed, confused, and obviously traumatized. Andy and Mike bring her home. As she recovers, Jessica reveals the story of her abduction, ensuing captivity, and ultimate escape. Her account leads Mike and Andy down a twisting desert road toward the darkest of destinations.
