

Whale Song: School Edition

Comes with detailed discussion guide for teachers! *Whale Song has been used in schools across the world, for novel studies, book reports and even as a book club read. The various societal and emotional themes (bullying, racism and death) make it a perfect choice for readers 9-109. Thirteen years ago, Sarah Richardsons life was shattered after the tragic death of her mother. The shocking event left a grief-stricken teen-aged Sarah with partial amnesia. Some things are easier to forget. But now a familiar voice from her childhood sends Sarah, a talented mid-twenties ad exec, back to her past. A past that she had thought was long buried. Some things are meant to be buried. Torn by nightmares and visions of a yellow-eyed wolf and aided by creatures of the Earth and killer whales that call to her in the night, Sarah must face her fears and recover her memories?even if it destroys her. Some things are meant to be remembered?at all cost. I read Whale Song and loved it. ?actress Jodelle Ferland (The Twilight Saga: Eclipse) Moving...sweet and sad. ?Booklist Tardif again leaves a lasting mark on her readers...Moving and irresistible. ?Midwest Book Review
