

## Love Is Not Enough

In 1913, beautiful but spiteful Marianne Trenwith has everything her younger sister, Sarah, wants, including the dashing Troy Pelham. But in a fit of petulance Marianne breaks off her engagement, much to Troys relief and her familys mortification. As Sarah and Troys friendship blossoms, Marianne warns her sister that a match will never be permitted and their parents will do anything to avoid a scandal. But with the war clouds gathering and womens emancipation taking root, Sarah senses that time is precious. In a moment of weakness, Sarah becomes pregnant. Cast off by her family, and with Troy serving overseas, will Sarah ever find happiness with the man she loves, or is her life ruined for ever?
