

## White Jacket

Conceive him now in a man-of-war;  
with his letters of mart, well armed,  
victualled, and appointed, and see how  
he acquits himself. FULLERS  
Good Sea-Captain. In the year 1843 I  
shipped as ordinary seaman on board of a  
United States frigate then lying in a harbor  
of the Pacific Ocean. After remaining in  
this frigate for more than a year, I was  
discharged from the service upon the  
vessels arrival home. My man-of-war  
experiences and observations have been  
incorporated in the present volume.
