

## Better than Perfect: A Wild Cards Novel

After getting kicked out of boarding school, bad boy Derek Fitzpatrick has no choice but to live with his ditzy stepmother while his military dad is deployed. Things quickly go from bad to worse when he finds out she plans to move them back to her childhood home in Illinois. Ashtyn Parker knows one thing for certain - people you care about leave without a backward glance. A football scholarship would finally give her the chance to leave. So she pours everything into winning a state championship, until her boyfriend and star quarterback betrays them all by joining their rival team. Ashtyn needs a new game plan, but it requires trusting Derek - someone she barely knows, someone born to break the rules. This title was previously released as Wild Cards.
