* * * Wings of Arian, Book 1 in the Solus Trilogy, is a young adult paranormal fantasy novel. If you like Cassandra Clare and the Infernal Devices series or the Mortal Instrument series you will love Wings of Arian! * * * PRODUCT DESCRIPTION:Kiora thought she had never heard a lie until she was sixteen. But she was wrong. Her entire existence was based on nothing but. She thought that evil did not exist. Lie. That magic was not real. Lie. And that the land of Meros was all there was. One more lie. With Aleric telling her that evil is knocking on the door and that she is the only one who can stop them she has a choice to make. Refuse, or start the wildest most painful ride of her life. She reluctantly dips her toe into her new existence of magic and threads, dragons and shapeshifters, and the person who wants to take control of it all: the evil Dralazar. However, this journey was never meant to be hers alone. She will be accompanied by a Protector. To her disbelief, and utter irritation they name the hotheaded, stubborn, non-magical, (albeit gorgeous) Prince Emane. They will have to trust each other with their lives, but right now Kiora would settle for a non hostile conversation. And now it comes down to this, If you had never heard a lie, would you know when you heard one? Is knowing good from evil innate? Kiora finds herself having to decide who lives and who dies on those very questions. * * * Wings of Arian is a young adult paranormal romance novel with approximately 115000 words. It also includes a bonus preview of Book 2 in the Solus Trilogy, WINGS OF TAVEA! * * * ABOUT DEVRI WALLS:Devri Walls lives in Kuna Idaho with her husband and two kids.
