

You and Only You (Blessings, Georgia)

Mike Dalton has secretly loved LilyAnn Bronte since they were children together in the small town of Blessings, Georgia. But one fateful day T. J. Lachlan roars into town and starts showering LilyAnn with his charm, and Mike feels his dream of them being more than friends slipping away. LilyAnn, as anyone in Blessings will tell you, let herself go after her fiancé was killed in Iraq. The attention of the handsome new guy shocks her into a revelation: She's ready to live again, and maybe the best is yet to come. The thing is, everybody in Blessings is sure that it's Mike and LilyAnn who belong together, and they're willing to do whatever it takes to make LilyAnn realize that the love of her life has been by her side all along.
