

## Duluth: An Illustrated History of the Zenith City

The Duluth story is a fascinating saga, told here in a brisk narrative by author Glenn N. Sandvik, who combines careful research and skillful writing to present the momentous events and remarkable people of Duluth's past. Here are vivid portraits of the pioneer missionary Edmund Ely, and the bold visionaries George Stuntz, Alexander McDougal, Mayor S.F. Snively, and many others. Hundreds of pictures, drawings, rare portraits, and paintings bring unforgettable images of Duluth's past to life, while sixteen pages of brilliant color photographs echo the rich heritage and hues of the Zenith City, from the red dust of the Mesabi to the deep blues of Lake Superior. Duluth: An Illustrated History of the Zenith City captures the heart of this energetic community, and promises to be treasured for generations to come.
