

Zion National Park Explorer 3D

Trails Illustrated Zion National Park Explorer 3D combines the updated cartography found on our Zion National Park Trails Illustrated map with our award winning TOPO! mapping software. Unique to National Park Explorer software, users can automatically highlight existing trails - making it easy to create trail profiles, view maps in 3D, and create routes for GPS. Additional Details: Compatible with both PC and Macintosh Computers. GPS connectivity compatible with most receivers manufactured by Garmin, Magellan, Eagle, Lowrance, and select Suunto wrist-top computers. Magellan Triton map transfer capability is not currently supported with this product.
